President's Report

The year 2022 has seen us bring Sir JM Barrie's Peter Pan to life. After another shaky start to the year, thanks to the pandemic, we welcomed Director Leanne Cane back to the helm for another fantastic year of developing our stage skills. For almost half of our cast this was their first senior show with us, and a number of others had not worked with Leanne before. True to form, Leanne was able to see the best in each and every student and gave each of them their moment to shine. Her ability to add in cheeky stunts and such gives each student their special moment and helps to build a story that needs to be told, in just over an hour. Thank you, Leanne for your time and energy and thank you parents for bringing your children along each week (when possible) to develop their skills and confidence and most importantly, have fun.

Unlike the Disney shows we have performed in recent years which included songs many knew from movies, Peter Pan Jr (the Broadway version), had our senior students learning more than 10 songs from scratch! Under the expert guidance of our singing tutors, Sue Gerschwitz and Kirralee Field, students have worked hard to master these challenging tunes to help tell the story of Pirates, Lost Boys and Brave Girls.

History was made this year as we welcomed our very first "Old Scholar" back as a tutor. To see the way Kirralee has developed as a performer since she started in the very first year of our Performing Arts School, and the insights she has been able to give our students was fantastic. I hope they appreciated you as much as the rest of us did.

On the subject of History, next year marks the 10th anniversary of MMAC PAS. We feel privileged to be able to continue to provide this opportunity to your children and to our community. Please consider joining our committee to ensure this can continue.

Our sponsors are another important part of this. Made up of local businesses and families, your support has enabled us to continue providing the excellent standard of show our audiences have come to expect. Scholarship sponsors have also enabled PAS to be available to all.

We are thankful for our dance tutors, Danielle and Leah. This year the students were given the option to choose which dance style they wished to focus on for the showcase. Our junior and mini groups were in the capable hands of Michelle Cripps. Her wealth of experience and passion for performing arts has helped to continue to build the skills of our performers of the future. Thanks Michelle.

We are very fortunate to have a number of local people willing to give up their time to assist in all aspects of the show, from costumes, to set design, to lighting and sound, and more. You will find their names in the program, but I would personally like to thank them all.

Finally, I wish to acknowledge our dedicated committee. Each and every person has used their various talents and strengths to make us an amazing team. Of course, there would be no show without our students. Their efforts in a disrupted year have not gone unnoticed. Be proud of yourselves and what you have achieved this year. Break a leg!

Now, sit back and enjoy the show.!
